

INON BAASOV

Senior Product Leader | B2C Mobile Apps | AI & LLM Models | 0-to-1 & Scaling

inonbaasov@gmail.com | linkedin.com/in/inonbaasov | +972-54-444-5856 | inon-baasov-website.base44.app

PROFESSIONAL SUMMARY

Visionary Senior Product Leader with 12+ years of experience taking ambiguous, cutting-edge technology concepts to validated, high-growth B2C and B2B products. Proven track record executing 0-to-1 product lifecycles, building and launching successful live B2C mobile apps, and integrating advanced AI/LLM models to drive user retention. Experienced in managing product teams and spearheading international GTM strategies, including major US market initiatives (e.g., Paramount). Deeply analytical and data-driven, pairing an Executive MBA with North American cultural and business fluency (McGill University) to scale products from initial ideation to massive commercial impact.

Core Competencies: B2C Product Strategy | AI & LLM Integration | US Market GTM & Expansion | Team Leadership & Mentorship | Product Analytics & Growth | Subscription Strategies | 0-to-1 App Development | Cross-Functional Execution

PROFESSIONAL EXPERIENCE

Inon Baasov Ltd — Product Incubation & B2C App Builder 2024 – Present
Senior Product Consultant & Independent Builder

- **Launched 3 Live B2C Mobile Apps Solo:** Handled end-to-end product ownership for *FamilyFlow* (family coordination mobile app) and *TradePulse Journal Pro* (personal trading app) from market hypothesis, UX design, and development to deployment, managing user analytics, and growth retention loops with zero external budget.
- **AI/LLM Product Strategy:** Led incubation engagements for 4 early-stage AI startups (*AiRakoon*, *Medicrowd*, *Smash+*, *Yazamos*); mapped complex machine learning/LLM features into intuitive user experiences, defined scoped MVPs, and built data-driven product roadmaps.
- **GTM & Fundraising Readiness:** Delivered *AiRakoon's* 12-month product roadmap and enterprise pilot brief, translating a raw whiteboard concept into investment-grade business cases (market sizing, unit economics, and monetization models) that successfully supported funding rounds.

Touche TV — AI Interactive Video Platform (SaaS / PaaS) 2018 – 2024
Co-Founder & Chief Product Officer (CPO)

- **0-to-1 Product Scale:** Executed the complete product lifecycle from a tech hypothesis to global deployment, managing \$2.5M in product investment and owning the strategic vision.
- **Team Leadership:** Built, managed, and mentored a cross-functional product, R&D, and QA team, driving a **38% improvement in team delivery efficiency** through structured Agile execution.
- **US Market Expansion:** Designed and executed high-impact enterprise pilot programs for global and US-based media giants (Paramount, Eros Now, Ozon, HOT), structuring explicit analytics-driven success metrics and go/no-go frameworks.
- **AI Feature Architecture:** Owned the product differentiation strategy for a proprietary AI Recommendation Engine, evaluating competitive AI models and data frameworks to maximize user engagement and value.
- **Stakeholder Alignment:** Translated sophisticated AI platform metrics into compelling executive-level narratives to secure critical brand partnerships and board-level buy-in.

Arena Plus Financial Services — FinTech Platform (B2B) 2013 – 2018
Senior Product Manager (Promoted from Product Manager)

- **Data-Led Growth:** Built robust commercial validation frameworks and subscription/financial models to size addressable markets, delivering **+22% user adoption** across three distinct geographic regions.
- **Velocity Optimization:** Streamlined feature prioritization and roadmapping based on user behavior data, resulting in a **-20% reduction in time-to-market**.
- **Competitive Positioning:** Synthesized real-time market intelligence into executive product recommendations, establishing strong localization strategies for international markets.

Previous Experience

- **QA Manager**, *Pharmabest & Phitel* (2011–2013) – Oversaw cross-functional quality assurance processes.
- **Regulatory Affairs Consultant**, *Blau Pharmaceuticals* (2009–2011)

EDUCATION

- **Executive MBA in Entrepreneurship & High-Tech Management** *Technion - Israel Institute of Technology* (2018)
- **B.Sc. in Biotechnology & Food Engineering (Engineering)** *Technion - Israel Institute of Technology* (2008)
- **Chemical Engineering Studies** *McGill University, Montreal, Canada* (2005) (*Extensive academic immersion in North America; native-level English business proficiency and deep cultural familiarity*).

MILITARY SERVICE

Israeli Air Force — Planning and Control Department Unit Leader 2000 – 2003

- Managed operational planning, resource coordination, and high-stakes decision-making for a 27-person unit in a mission-critical, fast-paced environment.
